

# Protect our Children

## COMMUNITY ISSUES COUNCIL & CITY PLAN

### I Petition the Hillsborough County School Board to Protect Our Children

Please officially adopt the policy that has been submitted that upholds what has been the traditional practice in Hillsborough County:

- The boys' restroom and shower facilities are used by students and adults who are identified on their birth certificates as males; and,
- The girls' restroom and shower facilities are used by students and adults who are identified on their birth certificates as females.

Please DO NOT add the term "Gender Expression" to the current Nondiscrimination Policy as it has a chilling effect on the speech of those within the District who would prefer to speak about the subject based on Scientific Evidence and/or their 1<sup>st</sup> Amendment guarantees of Freedom of Speech and of Religion, rather than based upon the feelings of society at the moment.

Please REMOVE the terms "Sexual Orientation" and "Gender Identity" from the current Nondiscrimination Policy as they are Discriminatory and have a chilling effect on the speech of those within the District who would prefer to speak about the subjects based on Scientific Evidence and/or their 1<sup>st</sup> Amendment guarantees of Freedom of Speech and of Religion, rather than based upon the feelings of society at the moment.
